

# VOTE 1 GREG PETTY - INDEPENDENT

for HEATHCOTE ELECTORAL DISTRICT

## No CSG mining in the water catchment

CSG is the single most significant issue for the Heathcote electorate. Voters are calling for their voice to be represented and not that of the party line - the political parties have refused to state they will cross the floor and vote against any CSG activity. I oppose CSG in *any* form.

John Hatton AO and Greg Petty

## JOHN HATTON SUPPORTS GREG PETTY

Legendary corruption fighter and former member for the South Coast, John Hatton AO, is supporting Greg Petty.

John says, "Greg has demonstrated commitment to his community, is a successful small businessman, and family man. Greg has the will, qualifications, experience and acumen to achieve this. He would make an excellent representative for Heathcote."
